EXCITEMENT BEGINS...

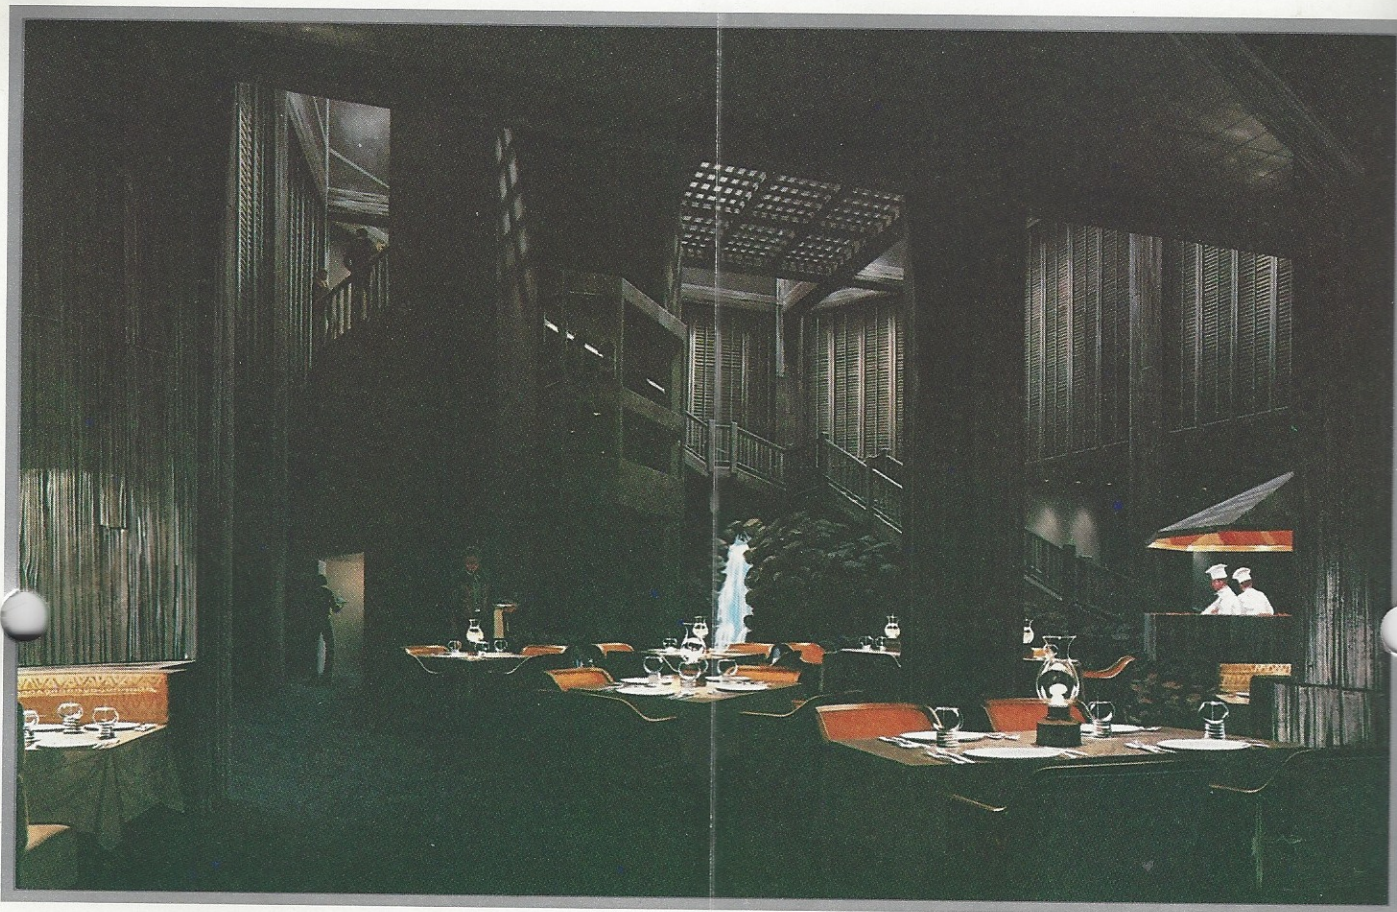

with the opening of the Buena Vista Palace. Now, the Vacation Kingdom of Walt Disney World® has a Palace of its own!

Located in the Walt Disney World Village Hotel Plaza at Lake Buena Vista, the Palace towers 27 stories above Central Florida's excitement. It is the area's tallest hotel and, from every point of view, the most spectacular.

Imagine. Four towers of reflective glass, glittering like crystal in their reach for the sun. Below, a lake surrounding the resort like a medieval moat . . . with turrets and courtyards to remind you of ages-old enchantment.

OUTBACK RESTAURANT

Yet this is 20th-century splendor. A 12-story atrium welcomes you. Here, nature's own wealth of greenery fills every corner. Three restaurants, four lounges, and a kingly choice of on-site recreation let every guest set his own pace. A glass elevator whisks you through a splashing waterfall to the Outback Restaurant and Lounge. And from Arthur's Roof, the gourmet restaurant atop the tallest tower, your eye sweeps across all the magic of the Walt Disney World® Vacation Kingdom, which includes the Walt Disney World Epcot Center, already heralded as the most futuristic and exciting entertainment complex in the history of Walt Disney Productions.

COFFEE SHOP/FAMILY DINING

ROYAL PLEASURES AND PASTIMES

Recreation, dining, and evening relaxation combine to make every guest feel like visiting royalty . . . and enjoyment is an incredible variety of choices. Arthur's Roof, atop the 27th floor, features international cuisine served in the elegant French manner, overlooking the Village and the glistening waters of Lake Buena Vista. The Outback Restaurant specializes in fresh seafood, including Maine lobster, plus huge steaks, ribs and prime rib . . . with the adjoining Outback Lounge serving drinks, dancing, and live entertainment indoors and out. Exotic drinks and 70 different international beers are part of the fun! Other lounges and restaurants are conveniently located throughout

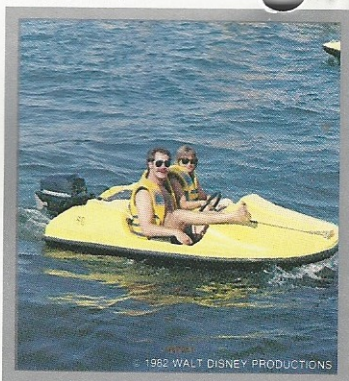

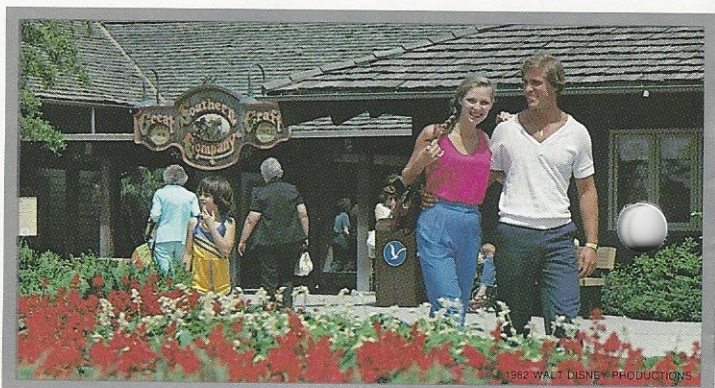

the resort, including a delightful coffee shop that serves meals 24 hours a day, indoors or lakeside.

Complete sports facilities beckon you to enjoy Florida's sunshine. Four lighted tennis courts, including a stadium court, invite you to take racket in hand. Golfers can choose from the three Walt Disney World championship golf courses. A king-size indoor/outdoor heated swimming pool, with its Pool Bar and Cafe, urges you to relax, start a suntan, or plunge into refreshing waters. Adjacent is the health spa with sauna and whirlpool. Small power boats and paddle boats are available at the Marina.

A short stroll takes you to the Walt Disney World Shopping Village, a most picturesque lakefront collection of specialty shops, restaurants, and one-of-a-kind lounges. You may dine aboard the Empress Lilly, a nostalgic paddlewheel riverboat. Throughout the Village, a year-round calendar of special events adds to the enjoyment.
